

GRANTSEEKERS: GET FUNDED!

The *Grantsmanship Training Program*® equips you with the skills you need to develop grant proposals that are competitive and meet the needs of your organization.

This program is a comprehensive hands-on workshop that covers the complete grant development process, from researching funding sources to writing and reviewing grant proposals. More than 115,000 nonprofit and government personnel have attended this fast-paced, five-day workshop, which is followed with a full year of membership support services.

Participants learn The Grantsmanship Center's proposal writing format, the most widely used in the world. In addition to practicing advanced techniques for pursuing government, foundation, and corporate grants, participants work in small teams to develop and then review real grant proposals.

To ensure the personal attention that is the hallmark of the *Grantsmanship Training Program*®, registration is limited to 30 participants. The tuition of \$895 includes workshop tuition and one year of follow-up benefits and services through The Grantsmanship Center's Alumni Membership Program. A limited number of 50% scholarships are available to organizations with annual operating budgets under \$300,000.
