Re: Alamo Area Council of Governments (AACOG) CDBG-MIT Regional Mitigation Program
waiver request

Dear Ms. Rath:

The Texas General Land Office Community Development and Revitalization division (GLO-CDR) has reviewed AACOG's request to reduce the minimum allocation from \$1,000,000 to \$900,000 to entities in the Method of Distribution (MOD) for the Community Development Block Grant - Mitigation (CDBG-MIT) Regional Mitigation Program. Because the approval of this waiver will allow for additional communities to benefit from the CDBG-MIT funding, we are pleased to inform you request is approved.

Thank you for your hard work to help the region recover from the many disasters which have recently beset it, as well as better prepare Texas for any future storms. If you have any questions or require additional information, please feel free to contact Alex Swift at alex.swift.glo@recovery.texas.gov.

Sincerely,

Alexandra Gamble
