

**RFP-22-476-MED.CO-BROADBAND Request for Proposal
MEDINA COUNTY BROADBAND PROJECT 2022 - 2023**

Q: Who will maintain, own and be the ISP of record?

Q: What (if any) would AACOG/Medina County want in return outside of providing affordable high-speed internet to the people in this area?

R: Medina County will own the infrastructure. There will be another process to identify an ISP, who will be expected to maintain the infrastructure.
